

FESTIVAL OF BOOKS

To celebrate World Book Night 2019 the Royal Photographic Society, Yorkshire Region will be hosting the Festival of the Photo Book.

To make this work we need you to lend us your precious photo book, so that it can be shared with other people, in controlled conditions.

The books will be displayed at Swinton Library and several of our members will be on duty for the whole event to ensure the books are treated with care.

The festival will comprise of a Photo Book Display, along with a running photographic Exhibition on Used Bookstores by John Pyatt FRPS. A resource table for making handmade books: The unique opportunity to network with others who are working with this exciting media, and discuss techniques.

For details of how and when to enter your book please send your email address to yorkshirechair@rps.org
